JOY & PEACE

May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.

- Romans 15:13

The holidays are over, most of the Christmas decorations are taken down, and the gray days of winter are upon us. We work to keep our energy levels up, stay active, and encourage each other with God's joy and peace. At the Center we are grateful the bitter cold and stormy days have subsided, and we can have our doors open again to those needing material goods or just a place to come and talk. Through this, we can share the warmth of God's love and the tranquility of the peace that only He can give to us as we listen, care, and pray. **We hope that as we head into the serenity of the Lenten season with the remembrance of our Lord's death and resurrection, we can present His peace to all who walk through the doors at Lighthouse Pregnancy Care Center!**

- Sherry, Sue, & Ron

Thank you!

18,878 diapers, 551 packages of wipes, 4228 articles of clothing, 515 containers of baby food, 128 cans of formula, 3326 other items. All of these were passed out to our clients in 2025. These donations, along with prayer and financial support, keep LPCC running. **THANK YOU to all of you who partner with us in the ministry!**

Christmas at Lighthouse!

We were blessed to have another wonderful Christmas at Lighthouse! This last December, we had **43 families** participate in our Christmas at the Center program. Because of the generosity of our amazing donors, we were able to share **308 toys and 25 books** with children in our community. In addition, we had 13 excited families come in to the center all dressed up for their Christmas photo shoots, thanks to the generosity of our board member Jadeyn. It was a joyous time for us all and parents were very thankful for these opportunities!

Men's Ministry

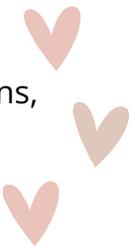

Things are happening in the Men's Ministry at LPCC as we continue to grow and serve young men with the love of Christ. Psalm 126:3 says, "The Lord has done great things for us, and we are filled with joy." I am excited to share how God has blessed this new ministry in so many ways this year. We had **99 visits** to the ministry and were able to utilize our BrightCourse video education courses with **45** of those visits. **We are urgently seeking male coaches who have a heart to work with younger men, will listen, and want to help create a positive vision for their lives; along with encouraging them, praying with them, and sharing the love of Jesus.** I am also grateful to the board, Sherry, and Sue for bringing me on as staff at Lighthouse and I'm excited to see where God takes His ministry going forward.

Michigan's Biggest Baby Shower

Due to extremely cold temperatures, slippery roads, and white out conditions, Lighthouse and Promise FM regretfully decided to cancel this year's baby shower. We, along with our faithful community donors, were very disappointed to miss this time of fellowship and celebrating life! If you would still like to donate for this event, there is a list of needed items on our website, and we are always happy to have you come in for a tour of the center!
