WORDS FROM OUR DIRECTORS

How thankful we are that Jesus gave His life for us, so that we can have an abundant life in Him! The Bible is clear in telling us His motivation - LOVE. This love then flows through His children to others, and we have many opportunities to see this love in action at Lighthouse. Our donors show His love by sacrificing their personal resources so that children have formula, diapers, clothing, and more. Our volunteers show His love by giving their time to keep our resources ready for distribution and our center clean and welcoming, as well as giving of themselves in kindness and compassion to all who visit.

The Promise FM showed His love by coming to Lighthouse, as well as other centers, to celebrate LIFE with Michigan's Biggest Baby Shower. The ministry at Lighthouse involves many people laying down their lives for others, and *we are thankful for this great love!*

no one than this,
that someone lay
down his life for
his friends.*

Michigan's Biggest Baby Shower!

On January 19th, we welcomed Fred and Scott from Promise FM to LPCC, where they hosted Michigan's Biggest Baby Shower! What an enjoyable afternoon we had with them and with many who stopped to visit and drop off gifts for the Center. Thank you to all who made the effort that day, and in the days before and after, to come in and drop off diapers, wipes, clothes, and a new recliner/rocker to be given to a new mama!

20th Anniversary!

On May 15th, 2004, the doors of LPCC were opened to serve the community for the first time. This year marks our 20th Anniversary! Plans are underway for an open house on Wednesday, May 15th, with details to be announced soon. We'd love to have you join us!

We praise God for how He has worked through our

ministry, giving us countless opportunities to share His love with those who walk through our doors. We pray we always make Him the center of our ministry as our programs expand and grow.

Baby Bottle Blitz

Mark your calendars for May
12th-June 16th!

Call if you need a bottle!

BrightCourse

We are excited to be introducing a new educational opportunity for those who come to LPCC. Bright Course is an online program that covers many parenting topics for women and men. Our mentors are being trained, and we hope to start offering it in April.

From a family we served...

"Thank you! We've never had anyone pray for us before."
