Handyman Help

September brings back to school, schedules, and structure. As you are settling into your fall routines, if anyone has some time to help with handyman projects at the Center please give us a call! We have some remodeling to be done to make better use of our space and some interior touch up painting. Thank you!

SERVING WITH HOPE

*So neither the one who plants nor the one who waters is anything, but one God, who makes things grow.
For we are co-workers in God's service.*

- 1 Corinthians 3:6,9

At Lighthouse, there are many who work together to meet the needs of our clients. Our board faithfully leads and guides. Many volunteers serve according to their gifts, meeting with clients, caring for our resources, and tending to office responsibilities. We are blessed to have individuals and congregations in our community that graciously donate to the ministry and lift us up in prayer. Our community is supportive, as individuals bring in material donations and area agencies refer individuals to the center. We are thankful for you, and your precious part in the ministry to others!

- Sherry & Sue

We are already looking ahead to Christmas at the Center!

For the first 3 weeks in December, parents can come in and get a few brand-new toys for each of their children.

Each year, we hear of a family that wouldn't have had gifts for their children without this program. If you are interested in donating some new toys, we ask they are brought to the Center by November 19th so we can have them ready by December 2nd.

Baby Bottle Blitz

Thank you to all who participated in this year's Baby Bottle Blitz! 24 churches displayed our bottles for members to take home. \$24,000 was raised, which is \$1,000 more than last year! The monies from the fundraiser go toward every day expenses of the center. Thank you again to everyone who donated!

New Phone!

This summer, we installed a new phone system, which took us from analog to digital. Clients can now text with us using the Center's number, and soon will be able to schedule appointments online. Thank you to our donors and board for helping us stay up to date in technology and providing more ways for us to connect with our clients.

Additional Thank You's

Thank you to the Little River Casino and Resort for choosing us as one of the non-profits included in this year's Golf Outing! We look forward to using the monies for strollers and Pack and Plays to be given to those who have need of them. A lot of families will appreciate your generosity!

Thank you to the Tab for inviting us to participate in Family Day on July 5th. Frisbees and Freezer Pops were enjoyed by many who stopped by our booth!

Visits

Between June 1st - August 31st we were able to assist **83 individuals (73 women, 10 men)** who came for a visit at the Center **180 times (152 women, 28 men)**. *Thank you for your financial, material, and prayerful support, which allows us to share God's love and care with all those who come through our doors. Your contributions make it possible for us to provide services and support to these women, men, and families in need.*
