HOPE & PEACE

And suddenly there was with the angel a multitude of the heavenly host praising God and saying,
"Glory to God in the highest, and on earth peace, good will toward men!"

- Luke 2:13-14

This Christmas season, our thoughts dwell a bit longer on our theme for 2025, Hope. The babe in the manger came not only for the people of the time, but also to rescue and restore countless generations that continue to look for a Savior. Jesus continues to offer us Hope, and this assurance in the goodness of God and His promises allows us to have **Peace**. *We can confidently enter 2026 resting in the Prince of Peace and will carry this theme throughout the next year.* **Christmas blessings of hope and peace to you all!**

- Sherry & Sue

Volunteers have been busy with preparations, and we are happy to once again be able to offer Christmas at the Center!

Because of generous donations of finances and toys, this program provides an opportunity for local families to shop for presents for their little ones - we even provide the wrappings! *We have been told in years past that these were the only gifts some families had for their children at Christmas.* Thank you to those who have given to the program!

Remembering Margo

This Christmas will be very different for a very special volunteer, as this is the first year she will be celebrating in heaven. Margo Plamondon faithfully served Lighthouse Pregnancy Care Center for over 20 years as a receptionist, part of that time serving as volunteer coordinator when she scheduled receptionists and participated in their training. She loved the ministry and the volunteers, and we all loved her heart, her honest thoughts, and her laughter. She is dearly missed, and it is easy to imagine her cake this year saying, "well done, good and faithful servant".

Christmas Photos!

We are excited to announce that Lighthouse has a new addition to our Christmas offerings this year! Thanks to the generosity of our board member, Jadeyn Kalasz, who is a professional photographer, a limited number of clients will have the opportunity to have a Christmas photo shoot with their families at no cost. We are thankful that she is sharing her talents with us in this way!

Thank you!

Thank you to all who have given to the ministry at LPCC this past year. Prayer support, material and financial gifts, and time spent volunteering keeps the ministry thriving. *As we go into 2026, we pray for God's direction in growing the ministry to help assist young families even more.*

Festival of Trees

We are once again participating in the Festival of Trees during the Manistee Sleighbell Festival.

Watch out for our tree with the theme of 'Christmas Angels'.
